

CONCUSSION in Youth Sports

What every parent, coach and player needs to know!

Date: September 25, 2013

Time: 7:00pm-9:00pm

Location: RBC Broad Street Auditorium

This important event sponsored by ConcussionRXcare, Jersey Shore University Hospital and RBC Athletic Department will cover the epidemic of sports related concussions and the latest research regarding recovery, rehabilitation and baseline testing. There will also be a review of the Concussion Management Program created for RBC High School.

Speakers

Stephen Rice, MD - Director of Sports Medicine at Jersey Shore University Hospital

David Bertone, PT, DPT, OCS - Founder of ConcussionRXcare at db Orthopedic Physical Therapy
